Nationality : Moroccan

Empathetic

Independent

Organised

Punctual

Practical

“Driven by design finesse, Scrum expertise, and entrepreneurial spirit, Safaa crafts digital journeys that marry beauty with seamless functionality, transforming every click into an unforgettable experience.”

Bio

Safaa, a multi-talented individual skilled in UX/UI design, Scrum mastery, and entrepreneurship, sets out to reserve a table via the Little Lemon website. With an eye for aesthetics, she appreciates both form and function. Navigating the platform's user interface, she seeks a seamless experience that matches her design sensibilities.

Through her reservation, Safaa anticipates a fusion of culinary delight and visual harmony, reflecting her passion for creativity and her adeptness in managing agile teams and entrepreneurial endeavors.
